DAILY DEMOCRAT-FORUM

(Successor to the Maryville Republican)

VOLUME 3. MARYVILLE, MISSOURI, FRIDAY, SEPT. 6, 1912. NO. 82.

WHY THEY DIDN'T GO

CAL AND WES WANTED TO RIDE ON THE LINCOLN.

WOULD TAKE NO OTHER

But the Lincoln Wasn't Coming Back for Three Months and They Only Had One Change of Clothes.

Considerable surprise was manifested among their friends a few days ago when a couple of our distinguished citizens, who were supposed to be ploughing the billows of the briny deep en route to gay Paree, quietly reappeared at home. Much speculation was indulged, but all efforts to determine whether they had discovered an unknown short cut to the Old World or had lost their nerve at the water's edge were fruitless.

Some even suggested that they had gone to some secluded spot where the waters were cool and the mosquitos vegetarian to talk over the political situation. But it seems that all bets are off. The whole secret is in the magic name of "Lincoln," as the following from the St. Joseph Gazette will show. The Gazette says:

"W. C. ("Cal") Pierce was in St. Joseph last night on his way home from New York, and—well, Maryville's only 'Cal' and W. A. Blagg, likewise Maryville's only 'Wes,' started to Paris, and got as far as New York.

"Sauntering down to the steamship wharves before buying their passage they looked over the Olympic, the Imperator, the Carpathia, and then settled on the 'Lincoln' as being the most seaworthy of all the big vessels docked there at that time. To Paris they would go on the Lincoln. Then they found that the Lincoln was going for a Mediterranean cruise and would not get back for two or three months, and 'Cal' and 'Wes' did not want to stay away from Maryville and in Paris that long, so they decided that they would pass up the trip for a while and go back to Maryville and think it over. The Lincoln's captain promised each of the Maryville 'Innocents Abroad' that he would advise them as to the next time the Lincoln is to sail for a short round trip from New York to Cherbourg. Then 'Cal' and 'Wes' got busy with the cable and advised Paris that they would wait until next spring before going over.

"'Cal' emphatically denies that he was fleeing to Paris to escape the state Bull Moose convention or that held last Saturday at Maryville. He says he was going along in the role of interpreter for 'Wes,' who has a big lawsuit in the courts of Paris. Both Pierce and Blagg are certain that it was not the sight of the green sea water that discouraged them, but because the Lincoln was going to stay abroad too long for their convenience."

SOME MONEY IN THIS.

Car Load of Hogs Average $22.50 Per Head in Market.

G. A. Fite shipped a car of hogs to St. Joseph this week which he sold Thursday. The shipment included sixty-four head of nice hogs of his own raising which brought a total of $1,440.18, or an average of $22.50 each. They were last fall's shoats. Mr. Fite has about 175 spring pigs left from which he expects to realize a nice profit. He watches them closely, has plenty of good clover pasture for them to run on and has had no trouble from loss by disease of any kind.

THE OUTLOOK IS BRIGHT.

The Certain Election of Woodrow Wilson Foreshadowed in Every State.

More than 10,000 letters have been received at Democratic national headquarters in the Fifth avenue building, New York, within the past week from every state in the Union, dealing with the political condition throughout the country.

These letters have been examined with care by the various bureaus, and the majority of them contained information of the most encouraging nature, as well as valuable suggestions to the Democratic leaders.

Never in the history of the party have the chances been so bright for a Democratic victory. Betting is a matter of opinion, but the odds as quoted in New York have gone to 2½ on Wilson. At the opening of the campaign the odds were from 1½ to 2. During the past few days there were many wagers being offered at 2½ to 1 on the success of the Democratic ticket.

So far there have been but few wagers recorded, the majority of the Wall street sharks declaring that the odds will go to at least 3 and possibly 4 to 1 in favor of Wilson.

LIKENS "MOOSER" TO COYOTE.

Senator J. W. Peck Says Neither Amount to Much, Both Make a Big Noise.

Sometimes, according to State Senator J. W. Peck of Atchison county, of this senatorial district, a "Bull Mooser" acts more like a coyote.

"I can't speak for some parts of the state," said the senator to a Kansas City Journal reporter, "but in my county there is a good deal of noise for the third party, with very few votes.

"If you have ever lived on the plains in the wild days, you perhaps know how a lone coyote will get out on the point of a hill on a moonlight night and bay at the queen of heaven until a tenderfoot would think the prairie alive with big gray wolves. The old-timer knew it was only one little coyote with a big voice and a knowledge of echoes.

"A good deal of this noise about the "Bull Moose" movement seems to have been created in the same way."

Arrived From Pennsylvania.

Mrs. Harry Reed of Los Angeles, Cal., arrived in Maryville Wednesday evening from Reynoldsville, Pa., where she accompanied the body of her late husband for burial. Mrs. Reed is slowly recovering from an attack of prostration due to her bereavement. She will remain in Maryville until able to continue her trip back to California, and is now the guest of her parents, Mr. and Mrs. A. T. Clark, at the Linville, and her sister, Mrs. Roy Collins. Relatives and friends have hoped that Mrs. Reed would decide to make her future home in this city, but for the present business interests make it necessary to return. She will be accompanied to California by her aunt, Miss Ella Reed, who will make her home with Mrs. Reed. Both expect to return to Maryville for the holidays.

A Fine Window Display.

One of the finest displays of school tablets ever shown in the town is the one in Crane's south show window. Mr. Crane bought them in immense quantities direct from the manufacturer and thereby effected a great saving in price, which he in turn is giving to his customers. The price tags on 5-cent tablets show that he has cut the price half in two and is retailing them at two for a nickel. A tablet containing thirty-five or forty sheets more than is ordinarily sold for 5 cents can be bought here for 4 cents. The display, made just before the school commences, is sure to attract the attention of the multitude of school children who use such things. A number of other school necessities are also shown.

Met Sister From Texas.

Mrs. J. W. Kennedy returned to her home in Parnell Wednesday from a visit since Saturday at the home of her mother, Mrs. Lucy Ford, west of Maryville, and also met her sister, Mrs. L. L. Hanna of Vernon, Texas, who came two weeks ago for a visit until the close of October.

Denning, and her sister, Mrs. Elden Lloyd, left for their home Thursday evening. They will stop in Savannah to visit Mrs. Key's sister, Mrs. W. T. Lewis, and in St. Joseph to visit her brother, Professor Robert L. Denning, before returning home.

GOOD TO HOPKINS

BURLINGTON PEOPLE HAVE REMODELED THE DEPOT.

APPEARANCE IMPROVED

The Moving Picture Tent is Strong Attraction—Other Newsy Notes From Northern Neighbors.

Mrs. Janie Thompson and Miss Frankie Thompson of Maryville visited friends east of town over Sunday.

Miss Theresa Ford of Bedford attended the picnic and visited her sister, Mrs. Jack Campbell.

Mr. and Mrs. Fred Abernathy of Lenox, Ia., visited over Sunday with Mrs. Abernathy's father, Wm. Bran.

George Chamness is receiving a visit from his brother, A. L. Chamness of Kansas.

Miss Nelle Clutter of Clearmont visited last week with her brother, Harry Clutter, and family.

Mr. and Mrs. George Oxley of St. Joseph visited last week with Mr. Oxley's sister and brother, Mrs. Ed Appleton and Willis Oxley, west of town.

Fay Sheley is the new clerk at B. Wooldridge & Son's clothing store.

Mrs. Rose Goodwin and daughter of Greenfield, Ia., visited last week with Mrs. Dr. Large.

Glen Chaney of St. Joseph returned to his work Tuesday morning, after a short visit with home folks.

Mrs. E. C. Wolfers, Jr., and daughter, Mildred Clair, went to St. Joseph Tuesday to hear "The Shepherd of the Hills."

Miss Frances Lindsay, accompanied by Miss Bertha West, went to St. Joseph Tuesday morning to purchase millinery and novelty goods.

Mrs. A. H. Wehrman and children of St. Joseph returned to their home Wednesday, after a week's visit with the Wolfers and Donlin families.

Mrs. Newt Morgan of Parnell, accompanied by her friend Mrs. George Lucas of Maryville, attended the picnic on Friday.

J. W. Lindsay spent Thursday and Friday in Hopkins, coming in from Omaha, where he had been with a shipment of horses.

Fred McIntire of Vancouver, B. C., arrived this week for a visit with his parents, Mr. and Mrs. Charles McIntyre.

Mr. and Mrs. Ed Crum and Mr. and Mrs. Hal Reynolds of Bedford came down Saturday to attend the ball game.

Mrs. Dr. Miller and children of Maryville were visitors in the Dr. Ed Miller home during the picnic.

Mr. and Mrs. Mell Sheley left Tuesday noon for an extended visit with relatives in Illinois.

Mrs. Halleck Flemming and sons of Blanchard, Ia., visited relatives here during the picnic.

Mrs. Mont Yager arrived from Idaho this week for a visit with her mother, Mrs. Albert Lawler.

Mrs. Maggie Graham and daughter, Myrtle, of Chicago, who have been visiting at the home of Jehu Johnson, left Tuesday morning for St. Louis.

Mrs. Lew Copeland of Lenox, Ia., was a picnic guest at the Wm. Bram home.

Miss Ethel Wheeler of Bedford visited last week with her sister, Mrs. Maude Douglas.

Saturday's ball game was the best game during the picnic, the score being 5 to 4 in favor of Hopkins. This was a good game, and delighted the hearts of the Hopkins fans, as nothing pleases them so well as to win from Bedford.

The moving picture tent being erected by George Austin is the leading attraction in Hopkins at present. The tent is located on the two south lots of the burned district, and if a paying proposition, Mr. Austin expects to erect a building for permanent use. The films used will be what are called "firsts"—that is, Mr. Austin is on a circuit, and the films will be shipped here first and then back to Kansas City. Mr. Austin expects to be ready for business next Saturday night.

The people of Hopkins are feeling very good over the improvements made by the Burlington people at the depot. The remodeling of the building, the lighting and painting have so improved the general appearance that we are not so much disappointed as we were in not getting an entire new depot. The moving of the unsightly box car and the filling in and parking the lawn is also a great improvement. All of this, in connection with the flowers and lawn kept up by the town, adds greatly to the appearance, and gives strangers to understand we are a prosperous people.

With five rainy days and other discouragements, the management would not have been surprised had they fallen several hundred dollars behind on this year's entertainment, but it paid out and left them a cash balance of 85 cents.

FRECKLES

Don't Hide Them With a Veil; Remove Them With the New Drug.

An eminent skin specialist recently discovered a new drug, othine—double strength, which is so uniformly successful in removing freckles and giving a clear, beautiful complexion that it is sold by any first class druggist under an absolute guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first night's use will show a wonderful improvement, some of the lighter freckles vanishing entirely. It is absolutely harmless, and cannot injure the most tender skin.

Be sure to ask for the double strength othine; it is this that is sold on the money back guarantee.

CLEAN YOUR LIVER AND 30 FEET OF BOWELS WITH "SYRUP OF FIGS"

MORE EFFECTIVE THAN CALOMEL, CASTER OIL OR SALTS; GENTLY CLEANSES THE STOMACH, LIVER AND BOWELS WITHOUT NAUSEA OR GRIPING—CHILDREN DEARLY LOVE IT.

You know when your liver is bad, when your bowels are sluggish. You feel a certain dullness and depression, perhaps the approach of a headache, your stomach gets sour and full of gas, tongue coated, breath foul, or you have indigestion. You say, "I am bilious or constipated and I must take something tonight."

Most people shrink from a physic—they think of castor oil, calomel, salts or cathartic pills.

It's different with Syrup of Figs. Its effect is as that of fruit; of eating coarse food; of exercise. Take a teaspoonful of delicious Syrup of Figs tonight and you won't realize you have taken anything until morning, when all the clogged up waste matter, sour bile and constipation poisons move on out of your system, without gripe, nausea or weakness. Nothing else cleanses and regulates your sour, disordered stomach, torpid liver and thirty feet of waste-clogged bowels like gentle, effective Syrup of Figs. Don't think you are drugging yourself. Being composed entirely of luscious figs, senna and aromatics, it cannot cause injury.

If your child is cross, sick and feverish, or its little stomach sour, tongue coated, give Syrup of Figs at once. It's really all that is needed to make children well and happy again. They dearly love its pleasant taste.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," and look on the label for the name—California Fig Syrup Company. That, and that only, is the genuine. Refuse any other fig syrup substitute with contempt.

KEEP THE KIDNEYS WELL.

Health is Worth Saving, and Some Maryville People Know How to Save It.

Many Maryville people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers.

The following statement leaves no ground for doubt.

Mrs. W. M. Newman, Chestnut street, Savannah, Mo., says: "Doan's Kidney Pills have been of more benefit to me than any other kidney remedy I have ever used, and in view of this fact I willingly recommend them. I was caused much suffering from pains in my shoulders, and morning on arising I felt tired and languid. I was also bothered by difficulty with the kidney secretions. Hearing Doan's Kidney Pills highly spoken of, I got a box and soon after beginning their use I was relieved. Another member of my family has also taken this remedy with satisfactory results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, sole agents for the United States.

Remember the name—Doan's—and take no other.

GEN'L MAC ARTHUR DIES ON ROSTROM

Veteran of Two Wars Fell to Floor While Speaking.

TRAGIC ENDING FOR REUNION

Shock of Officer's Sudden Death Causes Paralytic Stroke for Captain of Regiment—Body Covered by Comrades.

Milwaukee, Sept. 6.—Lieut. Gen. Arthur MacArthur, U. S. A., retired, died while speaking at the last reunion of the twenty-fourth Wisconsin volunteers, known as the "chamber of commerce regiment."

Death was due to apoplexy. Within a few minutes after the venerable general fell to the speaker's platform in the midst of his address, Edwin B. Parsons, a captain and member of the regiment, suffered a paralytic stroke on the right side from the shock of seeing his comrade fall and had to be carried from the place.

Veterans Try to Arouse Him.

The old soldiers attending the reunion—there were about 100—failed to grasp the situation for some moments, and when they rushed to the side of their fallen commander they found him dead. They tried to arouse him, but the pallor of his face told them it was useless; that the general had fought his last fight and had lost.

Prayed Beside His Body.

One by one the old soldiers turned away. They drew handkerchiefs from their pockets and wiped their eyes, then knelt by the side of their stricken commander in reverent attitude.

"Our Father, which are in heaven," began one of the veterans. As the words left his lips the others joined in, a somber gathering transformed from one of merrymaking, but a few minutes before.

At the conclusion of the prayer, as the soldiers arose, one of them took down one of the American flags that adorned the walls and spread the Stars and Stripes over the dead commander. Silently the soldiers left the hall. The reunion was ended.

HOLDS PACKERS RESPONSIBLE

Judge Renders Opinion in Damage Suit Over Case of Poisoning by Trichinae.

New York, Sept. 6.—In overruling a demurrer interposed by Armour & Company in a damage suit brought by Sophia Kelterer, who alleged that she had been poisoned by trichinae infected pork prepared by the defendant, Judge Noyes in the United States district court ruled that the packer, not the middleman or retailer, is responsible.

"The producer should be held responsible for the result of negligent acts which he can readily foresee," the court said.

"The meat packer who fails to inspect his products for poisonous parasites or ingredients knows that poison will poison those who eat his products and no one else.

Armour & Company contended that a manufacturer who deals with the middleman and not directly with the consumer owes the latter no duty whatever except the duty of refraining from knowingly and willfully inflicting injury.

SEDALIA FIGHTERS ARRESTED

PAPE'S DIAPEPSIN REGULATES STOMACH.

Time It! In Five Minutes Gas, Sourness and Indigestion Are Gone.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. and Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

DAILY DEMOCRAT-FORUM

VOLUME 3. MARYVILLE, MISSOURI, FRIDAY, SEPT. 6, 1912. NO. 82.

WHY THEY DIDN'T GO

CAL AND WES WANTED TO RIDE ON THE LINCOLN.

WOULD TAKE NO OTHER

But the Lincoln Wasn't Coming Back for Three Months and They Only Had One Change of Clothes.

Considerable surprise was manifested among their friends a few days ago when a couple of our distinguished citizens, who were supposed to be ploughing the billows of the briny deep en route to gay Paree, quietly reappeared at home. Much speculation was indulged, but all efforts to determine whether they had discovered an unknown short cut to the Old World or had lost their nerve at the water's edge were fruitless.

Some even suggested that they had gone to some secluded spot where the waters were cool and the mosquitos vegetarian to talk over the political situation. But it seems that all bets are off. The whole secret is in the magic name of "Lincoln," as the following from the St. Joseph Gazette will show. The Gazette says:

"W. C. ("Cal") Pierce was in St. Joseph last night on his way home from New York, and—well, Maryville's only 'Cal' and W. A. Blagg, likewise Maryville's only 'Wes,' started to Paris, and got as far as New York.

"Sauntering down to the steamship wharves before buying their passage they looked over the Olympic, the Imperator, the Carpathia, and then settled on the 'Lincoln' as being the most seaworthy of all the big vessels docked there at that time. To Paris they would go on the Lincoln. Then they found that the Lincoln was going for a Mediterranean cruise and would not get back for two or three months, and 'Cal' and 'Wes' did not want to stay away from Maryville and in Paris that long, so they decided that they would pass up the trip for a while and go back to Maryville and think it over. The Lincoln's captain promised each of the Maryville 'Innocents Abroad' that he would advise them as to the next time the Lincoln is to sail for a short round trip from New York to Cherbourg. Then 'Cal' and 'Wes' got busy with the cable and advised Paris that they would wait until next spring before going over.

"'Cal' emphatically denies that he was fleeing to Paris to escape the state Bull Moose convention or that held last Saturday at Maryville. He says he was going along in the role of interpreter for 'Wes,' who has a big lawsuit in the courts of Paris. Both Pierce and Blagg are certain that it was not the sight of the green sea water that discouraged them, but because the Lincoln was going to stay abroad too long for their convenience."

SOME MONEY IN THIS.

Car Load of Hogs Average $22.50 Per Head in Market.

G. A. Fite shipped a car of hogs to St. Joseph this week which he sold Thursday. The shipment included sixty-four head of nice hogs of his own raising which brought a total of $1,440.18, or an average of $22.50 each. They were last fall's shoats. Mr. Fite has about 175 spring pigs left from which he expects to realize a nice profit. He watches them closely, has plenty of good clover pasture for them to run on and has had no trouble from loss by disease of any kind.

THE OUTLOOK IS BRIGHT.

The Certain Election of Woodrow Wilson Foreshadowed in Every State.

More than 10,000 letters have been received at Democratic national headquarters in the Fifth avenue building, New York, within the past week from every state in the Union, dealing with the political condition throughout the country.

These letters have been examined with care by the various bureaus, and the majority of them contained information of the most encouraging nature, as well as valuable suggestions to the Democratic leaders.

Never in the history of the party have the chances been so bright for a Democratic victory. Betting is a matter of opinion, but the odds as quoted in New York have gone to 2½ on Wilson. At the opening of the campaign the odds were from 1½ to 2. During the past few days there were many wagers being offered at 2½ to 1 on the success of the Democratic ticket.

So far there have been but few wagers recorded, the majority of the Wall street sharks declaring that the odds will go to at least 3 and possibly 4 to 1 in favor of Wilson.

LIKENS "MOOSER" TO COYOTE.

Senator J. W. Peck Says Neither Amount to Much, Both Make a Big Noise.

Sometimes, according to State Senator J. W. Peck of Atchison county, of this senatorial district, a "Bull Mooser" acts more like a coyote.

"I can't speak for some parts of the state," said the senator to a Kansas City Journal reporter, "but in my county there is a good deal of noise for the third party, with very few votes.

"If you have ever lived on the plains in the wild days, you perhaps know how a lone coyote will get out on the point of a hill on a moonlight night and bay at the queen of heaven until a tenderfoot would think the prairie alive with big gray wolves. The old-timer knew it was only one little coyote with a big voice and a knowledge of echoes.

"A good deal of this noise about the "Bull Moose" movement seems to have been created in the same way."

Arrived From Pennsylvania.

Mrs. Harry Reed of Los Angeles, Cal., arrived in Maryville Wednesday evening from Reynoldsville, Pa., where she accompanied the body of her late husband for burial. Mrs. Reed is slowly recovering from an attack of prostration due to her bereavement. She will remain in Maryville until able to continue her trip back to California, and is now the guest of her parents, Mr. and Mrs. A. T. Clark, at the Linville, and her sister, Mrs. Roy Collins. Relatives and friends have hoped that Mrs. Reed would decide to make her future home in this city, but for the present business interests make it necessary to return. She will be accompanied to California by her aunt, Miss Ella Reed, who will make her home with Mrs. Reed. Both expect to return to Maryville for the holidays.

A Fine Window Display.

One of the finest displays of school tablets ever shown in the town is the one in Crane's south show window. Mr. Crane bought them in immense quantities direct from the manufacturer and thereby effected a great saving in price, which he in turn is giving to his customers. The price tags on 5-cent tablets show that he has cut the price half in two and is retailing them at two for a nickel. A tablet containing thirty-five or forty sheets more than is ordinarily sold for 5 cents can be bought here for 4 cents. The display, made just before the school commences, is sure to attract the attention of the multitude of school children who use such things. A number of other school necessities are also shown.

Met Sister From Texas.

Mrs. J. W. Kennedy returned to her home in Parnell Wednesday from a visit since Saturday at the home of her mother, Mrs. Lucy Ford, west of Maryville, and also met her sister, Mrs. L. L. Hanna of Vernon, Texas, who came two weeks ago for a visit until the close of October.

Denning, and her sister, Mrs. Elden Lloyd, left for their home Thursday evening. They will stop in Savannah to visit Mrs. Key's sister, Mrs. W. T. Lewis, and in St. Joseph to visit her brother, Professor Robert L. Denning, before returning home.

GOOD TO HOPKINS

BURLINGTON PEOPLE HAVE REMODELED THE DEPOT.

APPEARANCE IMPROVED

The Moving Picture Tent is Strong Attraction—Other Newsy Notes From Northern Neighbors.

Mrs. Janie Thompson and Miss Frankie Thompson of Maryville visited friends east of town over Sunday.

Miss Theresa Ford of Bedford attended the picnic and visited her sister, Mrs. Jack Campbell.

Mr. and Mrs. Fred Abernathy of Lenox, Ia., visited over Sunday with Mrs. Abernathy's father, Wm. Bran.

George Chamness is receiving a visit from his brother, A. L. Chamness of Kansas.

Miss Nelle Clutter of Clearmont visited last week with her brother, Harry Clutter, and family.

Mr. and Mrs. George Oxley of St. Joseph visited last week with Mr. Oxley's sister and brother, Mrs. Ed Appleton and Willis Oxley, west of town.

Fay Sheley is the new clerk at B. Wooldridge & Son's clothing store.

Mrs. Rose Goodwin and daughter of Greenfield, Ia., visited last week with Mrs. Dr. Large.

Glen Chaney of St. Joseph returned to his work Tuesday morning, after a short visit with home folks.

Mrs. E. C. Wolfers, Jr., and daughter, Mildred Clair, went to St. Joseph Tuesday to hear "The Shepherd of the Hills."

Miss Frances Lindsay, accompanied by Miss Bertha West, went to St. Joseph Tuesday morning to purchase millinery and novelty goods.

Mrs. A. H. Wehrman and children of St. Joseph returned to their home Wednesday, after a week's visit with the Wolfers and Donlin families.

Mrs. Newt Morgan of Parnell, accompanied by her friend Mrs. George Lucas of Maryville, attended the picnic on Friday.

J. W. Lindsay spent Thursday and Friday in Hopkins, coming in from Omaha, where he had been with a shipment of horses.

Fred McIntire of Vancouver, B. C., arrived this week for a visit with his parents, Mr. and Mrs. Charles McIntyre.

Mr. and Mrs. Ed Crum and Mr. and Mrs. Hal Reynolds of Bedford came down Saturday to attend the ball game.

Mrs. Dr. Miller and children of Maryville were visitors in the Dr. Ed Miller home during the picnic.

Mr. and Mrs. Mell Sheley left Tuesday noon for an extended visit with relatives in Illinois.

Mrs. Halleck Flemming and sons of Blanchard, Ia., visited relatives here during the picnic.

Mrs. Mont Yager arrived from Idaho this week for a visit with her mother, Mrs. Albert Lawler.

Mrs. Maggie Graham and daughter, Myrtle, of Chicago, who have been visiting at the home of Jehu Johnson, left Tuesday morning for St. Louis.

Mrs. Lew Copeland of Lenox, Ia., was a picnic guest at the Wm. Bram home.

Miss Ethel Wheeler of Bedford visited last week with her sister, Mrs. Maude Douglas.

Saturday's ball game was the best game during the picnic, the score being 5 to 4 in favor of Hopkins. This was a good game, and delighted the hearts of the Hopkins fans, as nothing pleases them so well as to win from Bedford.

The moving picture tent being erected by George Austin is the leading attraction in Hopkins at present. The tent is located on the two south lots of the burned district, and if a paying proposition, Mr. Austin expects to erect a building for permanent use. The films used will be what are called "firsts"—that is, Mr. Austin is on a circuit, and the films will be shipped here first and then back to Kansas City. Mr. Austin expects to be ready for business next Saturday night.

The people of Hopkins are feeling very good over the improvements made by the Burlington people at the depot. The remodeling of the building, the lighting and painting have so improved the general appearance that we are not so much disappointed as we were in not getting an entire new depot. The moving of the unsightly box car and the filling in and parking the lawn is also a great improvement. All of this, in connection with the flowers and lawn kept up by the town, adds greatly to the appearance, and gives strangers to understand we are a prosperous people.

Mrs. Johnson of California will come to Maryville in about two weeks to visit her sister, Mrs. Richard Conway, at "The Cedars," west of Maryville.

The Young Ladies' Missionary society of the First M. E. church held its annual picnic at the home of Mrs. J. F. Montgomery Monday afternoon. A short business session was held and officers elected for the coming year. Notwithstanding the threatening weather there was a large number in attendance. A delightful luncheon was served in cafetteria style. The officers chosen: Mrs. Roy Collins succeeded herself to the presidency. Mrs. Collins, formerly Miss Maud Clark, changed her name during a two months' trip to California, that ended a month ago, so the society has a new president only in name. Is Left on Hand and a Fine Program is Planned for Next Year—Management Feels Good.

Prof. Landon, manager of the Maryville Chautauqua, has completed his record of receipts and expenditures for the 1912 Chautauqua, and was agreeably surprised to find that the balance is still on the right side of the ledger. With five rainy days and other discouragements, the management would not have been surprised had they fallen several hundred dollars behind on this year's entertainment, but it paid out and left them a cash balance of 85 cents.

Mr. Landon's report shows the following receipts and expenditures:

Total expenses	4.105.39

Advertising	430.20

FRECKLES

Don't Hide Them With a Veil; Remove Them With the New Drug.

An eminent skin specialist recently discovered a new drug, othine—double strength, which is so uniformly successful in removing freckles and giving a clear, beautiful complexion that it is sold by any first class druggist under an absolute guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first night's use will show a wonderful improvement, some of the lighter freckles vanishing entirely. It is absolutely harmless, and cannot injure the most tender skin.

Be sure to ask for the double strength othine; it is this that is sold on the money back guarantee.

CLEAN YOUR LIVER AND 30 FEET OF BOWELS WITH "SYRUP OF FIGS"

MORE EFFECTIVE THAN CALOMEL, CASTER OIL OR SALTS; GENTLY CLEANSES THE STOMACH, LIVER AND BOWELS WITHOUT NAUSEA OR GRIPING—CHILDREN DEARLY LOVE IT.

You know when your liver is bad, when your bowels are sluggish. You feel a certain dullness and depression, perhaps the approach of a headache, your stomach gets sour and full of gas, tongue coated, breath foul, or you have indigestion. You say, "I am bilious or constipated and I must take something tonight."

Most people shrink from a physic—they think of castor oil, calomel, salts or cathartic pills.

It's different with Syrup of Figs. Its effect is as that of fruit; of eating coarse food; of exercise. Take a teaspoonful of delicious Syrup of Figs tonight and you won't realize you have taken anything until morning, when all the clogged up waste matter, sour bile and constipation poisons move on out of your system, without gripe, nausea or weakness. Nothing else cleanses and regulates your sour, disordered stomach, torpid liver and thirty feet of waste-clogged bowels like gentle, effective Syrup of Figs. Don't think you are drugging yourself. Being composed entirely of luscious figs, senna and aromatics, it cannot cause injury.

If your child is cross, sick and feverish, or its little stomach sour, tongue coated, give Syrup of Figs at once. It's really all that is needed to make children well and happy again. They dearly love its pleasant taste.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," and look on the label for the name—California Fig Syrup Company. That, and that only, is the genuine. Refuse any other fig syrup substitute with contempt.

KEEP THE KIDNEYS WELL.

Health is Worth Saving, and Some Maryville People Know How to Save It.

Many Maryville people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers.

The following statement leaves no ground for doubt.

Mrs. W. M. Newman, Chestnut street, Savannah, Mo., says: "Doan's Kidney Pills have been of more benefit to me than any other kidney remedy I have ever used, and in view of this fact I willingly recommend them. I was caused much suffering from pains in my shoulders, and morning on arising I felt tired and languid. I was also bothered by difficulty with the kidney secretions. Hearing Doan's Kidney Pills highly spoken of, I got a box and soon after beginning their use I was relieved. Another member of my family has also taken this remedy with satisfactory results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, sole agents for the United States.

Remember the name—Doan's—and take no other.

GEN'L MAC ARTHUR DIES ON ROSTROM

Veteran of Two Wars Fell to Floor While Speaking.

TRAGIC ENDING FOR REUNION

Shock of Officer's Sudden Death Causes Paralytic Stroke for Captain of Regiment—Body Covered by Comrades.

Milwaukee, Sept. 6.—Lieut. Gen. Arthur MacArthur, U. S. A., retired, died while speaking at the last reunion of the twenty-fourth Wisconsin volunteers, known as the "chamber of commerce regiment."

Death was due to apoplexy. Within a few minutes after the venerable general fell to the speaker's platform in the midst of his address, Edwin B. Parsons, a captain and member of the regiment, suffered a paralytic stroke on the right side from the shock of seeing his comrade fall and had to be carried from the place.

Veterans Try to Arouse Him.

The old soldiers attending the reunion—there were about 100—failed to grasp the situation for some moments, and when they rushed to the side of their fallen commander they found him dead. They tried to arouse him, but the pallor of his face told them it was useless; that the general had fought his last fight and had lost.

Prayed Beside His Body.

One by one the old soldiers turned away. They drew handkerchiefs from their pockets and wiped their eyes, then knelt by the side of their stricken commander in reverent attitude.

"Our Father, which are in heaven," began one of the veterans. As the words left his lips the others joined in, a somber gathering transformed from one of merrymaking, but a few minutes before.

At the conclusion of the prayer, as the soldiers arose, one of them took down one of the American flags that adorned the walls and spread the Stars and Stripes over the dead commander. Silently the soldiers left the hall. The reunion was ended.

HOLDS PACKERS RESPONSIBLE

Judge Renders Opinion in Damage Suit Over Case of Poisoning by Trichinae.

New York, Sept. 6.—In overruling a demurrer interposed by Armour & Company in a damage suit brought by Sophia Kelterer, who alleged that she had been poisoned by trichinae infected pork prepared by the defendant, Judge Noyes in the United States district court ruled that the packer, not the middleman or retailer, is responsible.

"The producer should be held responsible for the result of negligent acts which he can readily foresee," the court said.

"The meat packer who fails to inspect his products for poisonous parasites or ingredients knows that poison will poison those who eat his products and no one else.

Armour & Company contended that a manufacturer who deals with the middleman and not directly with the consumer owes the latter no duty whatever except the duty of refraining from knowingly and willfully inflicting injury.

SEDALIA FIGHTERS ARRESTED

Club Had Prize Fight and Sheriff Caused Warrants to be Issued.

PAPE'S DIAPEPSIN REGULATES STOMACH.

Time It! In Five Minutes Gas, Sourness and Indigestion Are Gone.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. and Mrs. Dyspeptic, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.
